

## About eLearning Days

MSD Decatur Township will hold eLearning days in the event school closes due to inclement weather.

### WHY

School closing due to inclement weather:

- Eliminates the need to make up and add days to the end of the school year
  - Allows students to have continuous and real-time instruction
    - Ensures safety of staff and students

### WHAT

Grades K-12 will use Canvas to access assignments.

### HOW

Student activities will be posted in Canvas on the day that eLearning is called. Teachers will be available during the eLearning day to answer questions through Canvas or other methods they prefer and have given to students.
