

ISI Assessment: links for ISI schools NOT using Acuity

These assessments are available to any of the ISI schools that would like to have a pre and post test that measures the knowledge that students gain from the kit lessons. Each assessment was developed from the summative assessments available in the publisher teacher's guide. The assessment can be accessed from any computer with a web browser—we recommend checking compatibility of the browser ahead of time. For scoring, please email Jenny Hicks (jenny@istemnetwork.org) and she will send a report to you.

Grade level	Content area	Kit name	Assessment link
3	Physical science	Physics of Sound	Pre-test 3rd grade Physical Science
			Post-test 3rd grade Physical Science
	Earth science	Earth Materials	Pre-test 3rd grade Earth Science
			Post-test 3rd grade Earth Science
	Life Science	Plant Growth and Development	Pre-test 3rd grade Life Science
			Post-test 3rd grade Life Science
STE	Measurement	Pre-test 3rd grade STE	
		Post-test 3rd grade STE	
4	Physical science	Magnetism and Electricity	Pre-test 4th grade Physical Science
			Post-test 4th grade Physical Science
	Earth science	Earth's Changing Surface	Pre-test 4th grade Earth Science
			Post-test 4th grade Earth Science
	Life science	Structures of Life	Pre-test 3rd grade Life Science
			Post-test 4th grade Life Science
STE	Motion and Design	Pre-test 4th grade STE	
		Post-test 4th grade STE	
5	Physical science	Floating and Sinking	Pre-test 5th grade Physical Science
			Post-test 5th grade Physical Science
	Earth science	Sun, Moon and Stars	Pre-test 5th grade Earth Science
			Post-test 5th grade Earth Science
	Life science	Environments	Pre-test 5th grade Life Science
			Post-test 5th grade Life Science
STE	Human Body	Pre-test 5th grade STE	
		Post-test 5th grade STE	
6	Physical science	Mixtures and Solutions	Pre-test 6th grade Physical Science
			Post-test 6th grade Physical Science
	Earth science	Earth in Space/Solar System	Pre-test 6th grade Earth Science
			Post-test 6th grade Earth Science
	Life science	Studying People/Ecology	Pre-test 6th grade Life Science
			Post-test 6th grade Life Science
STE	Experimenting with Force and Motion	No online student assessment available; recommend using Student Inquiries 13.1 & 13.2 and Inquiry Masters 13.1-13.3	
7	Physical science	Force and Motion	Pre-test 7th grade Physical Science
			Post-test 7th grade Physical Science
	Earth science	Plate Tectonics/Rocks and Minerals	Pre-test 7th grade Earth Science
			Post-test 7th grade Earth Science
	Life science	Bodyworks/Cell Biology and Disease	Pre-test 7th grade Life Science
			Post-test 7th grade Life Science
STE	Working with Motors & Simple Machines	No online student assessment available; recommend using Student Inquiry 12.1 and Inquiry Masters 12.1 & 12.2.	
8	Physical science	Chemical Interactions	Pre-test 8th grade Physical Science
			Post-test 8th grade Physical Science
	Earth science	Weather and Water	Pre-test 8th grade Earth Science
			Post-test 8th grade Earth Science
	Life science	Genetics and Evolution	Pre-test 8th grade Life Science
			Post-test 8th grade Life Science
