CONGRATULATIONS!

Welcome. You have been assigned to **The School of Quest and Inquiry** small learning community at Decatur Central High School. We are excited that you had an interest in our SLC and we are anxious to begin the process of getting to know you and your family. We are ready to Explore our Way to Success.

We will begin this journey with a parent/student **Scheduling Orientation Meeting**. Parent and student will attend the meeting and work with Quest and Inquiry staff to discuss scheduling, graduation requirements and diploma types for the class of 2020. During this meeting, parent and student will be able to complete the student's schedule request for the 2017-2018 school year.

The meeting will be held in the Decatur Central High School cafeteria on **Tuesday January 31, 2017 at 6:00pm**. Again, the purpose of the meeting is to orient you to graduation requirements and to select courses for next year. Prior to the meeting, please go to the Quest and Inquiry SLC page on the Decatur Schools Website and access the 8th grade scheduling tab where you will find all the materials needed for this meeting. Please be prepared to complete the forms that are accessible.
