

½ Day E-Learning Packets

Mrs. Kim, Mrs. Charity, Mrs. Fox, Ms. Michelle, Mrs. Kelly

Parents,

Attached you will find our extended learning packets for the weeks of May 4 and May 11. E-learning will take place on Monday, Wednesday, and Friday of both weeks. We have tried to include activities similar to what we would be doing at school so many of them are hands on. Since we have a wide variety of ages and skills we have included a differentiation section for activities that may need to be changed a bit for your child. If you do not have access to the internet please read for at least 20 minutes a day and talk about what the book was about. Feel free to split time up as needed.
